

# PATRICKS ROAD SCHOOL SONG

Music & lyrics by C. Chadwick © 2018

*Amongst the hills out to the west,  
You can find Brisbane's best,  
A generation ready to succeed.  
Children big and small,  
We always give our all,  
Ready to rise up and take the lead.*

***Here at Patricks Road we stand proud in blue and gold,  
A team always striving for the best.  
The future's looking bright, because we know we've got it right....  
Patricks Road – on TARGET for success.***

*Showing courage as we learn,  
To meet the challenges and earn,  
A sense of pride and achievement along the way.  
With creativity,  
There is nothing we can't be,  
Active learning adventures every day.*

***Here at Patricks Road we stand proud in blue and gold,  
A team always striving for the best.  
The future's looking bright, because we know we've got it right....  
Patricks Road – on TARGET for success.***
