P&C School Building Fund Tax Deductible Contribution

As part of investing in our children’s education, the Patricks Road State School P&C Association have established a School Building Fund. The Building Fund is registered with the Australian Taxation Office as a Deductible Gift Recipient. All donations over \$2.00 are tax deductible.

Donations of any size to the Patricks Road State School Building Fund can be made at any time. Donations will assist the school to upgrade or construct new facilities such as our Tuckshop Renovation, the School Hall Upgrade project, the Community Hub project, and the OSHC Building Redevelopment project.

We invite you to provide a donation to the Building Fund to invest in our children’s future and to continue the proud traditions of community involvement in Patricks Road State School.

Please help us make a difference to our present and future students as we strive to build a school full of courageous, creative and active learners.

Please complete payment details below and return this form to the school office. Payments can be made at any time of the year.
