

“Full Uniform with Pride” Policy

RATIONALE

The uniform exemplifies students’ pride in being part of the Patricks Road School Community. There is a belief that having all students wear a school uniform helps create a sense of belonging and a good school ethos (culture or spirit). By showing that we expect high standards with our uniform, expectations are raised and students respond with better behaviour. The students, parents and staff of this school believe that the Dress Code requirement is important in developing a sense of identity and pride for our students.

PURPOSE

We believe that the wearing of correct school dress allows each student to identify with the school, builds group spirit and prevents discrimination, unhealthy competition and arguments at home.

‘WITH PRIDE’

The uniform must be worn in a responsible and respectful manner and must be maintained in good order i.e. clean and in good repair.
