### Local Catchment

- The Student's principal place of residence is within the catchment area
  - Current proof of residency at the address indicated must be provided with each of the following
  - **One primary source:** a current rental/lease agreement, or rates notice, or unconditional contract of sale
- AND
- **One secondary source:** a current utility bill (e.g. electricity, gas) showing the same address and parent's/legal guardian's name
  - Applicants should not that a false statement/ assertion about the student's principal place of residence may amount to an offence and may be reported to police. The School Principal may repeal a decision to enrol a student in such circumstances.

### STATE SCHOOL ARE GREAT SCHOOLS

Patrick's Road State School works very closely with all the state schools in the Ferny Cluster (Everton Park SS, Mitchelton SS, Grovely SS, Ferny Hills SS, Ferny Grove SS and Samford SS) to develop world class teaching and learning across our schools. Each of our schools deliver the Australian Curriculum and caters for a wide range of student needs. The quality of education in each Ferny Cluster school is exceptional. We are committed to ensuring that each student can access quality schooling in their local catchment state school. Out of catchment enrolments will not be considered without a prior meeting with the catchment school principal or representative. Out of catchment enrolments will only then be considered if you can provide details of extenuating circumstances as to why our school is better positioned to meet the needs of your child than your local catchment state school. The Ferny Cluster State School Principals meet regularly to discuss out of catchment enrolment applications for each school. Out of catchment enrolment applications will be discussed between principals for consideration. Your local state school looks forward to meeting with you and discussing your child's education journey.
