

# Volunteer Opportunities

Volunteers are ALWAYS welcome (and needed!). There are many ways you can volunteer at Patricks Road State School both within the classroom and outside of the classroom, during and outside school hours. Your volunteering depends on your capacity to do so and your interest areas.

We love volunteers who can make a regular (weekly or monthly) commitment to help run the Uniform Shop, the Tuckshop, or in the classrooms. Any help you can provide is valued. If you are unable to help during the school week, we have several other opportunities where you can get involved, lend a hand and be part of your child's primary school journey. Every pair of hands will make a significant difference for the benefit of our school.

## Blue Cards

Volunteer parents of children attending the school do not need a Blue Card, however volunteer grandparents will need a blue card if they are helping at the school. Further information can be found at [Blue Card Services QLD](#). If you would like to volunteer at the school and need assistance with your Blue Card, please contact the school or P&C administration team.

Volunteer at Patricks Road State School
